HOW WILL YOU LEAD? **GET INVOLVED TODAY.**

The Sanger Leadership Center develops leaders with the mindset, skill set, and personal vision to make a positive difference in the world.

# MICHIGAN ROSS SANGER LEADERSHIP CENTER

## PROGRAM CALENDAR

PRE-TERM

### Orientation Programs

Workshops and action-based experiences that engage students with the Michigan Model of Leadership and prepare them to develop their capabilities at Ross and beyond.

### MBA Orientation

Workshops and action-based team challenges that give students the tools and skills to grow at leading themselves, others, teams, and organizations. They gain self-awareness, set learning goals, and try out new leadership behaviors while connecting with classmates.

FALL

### Leader Experience (LDRx)

A student-led community that places participants in small teams to reflect on the shared Ross experience, support one another's learning, and take control of their own leadership development.

### Ross Leaders Academy

A year-long, advanced leadership development program for 50 competitively-selected students from across the university. Students learn from peers, receive 1:1 coaching, and practice utilizing powerful research embedded in the Michigan Model of Leadership.

### Legacy Lab

A two-part workshop offered multiple times throughout the year designed to help students unlock personal capabilities and increase influence. Students craft a life purpose and vision, clarify values, and experiment with new ways of acting and leading.

### Story Lab

A series of workshops and public events where students learn to communicate through the art of storytelling, develop executive presence, and deliver powerful messages from the stage.
